United States Patent and Trademark Office
P.O. Box 979070
St. Louis, MO 63197-9000

Dear Sir:

It has been determined that the first maintenance fee in the amount of \$490.00 which was paid as small entity should have been paid as a large entity. Pursuant to 37 C.F.R. § 1.27(g), correction of the entity status previously established in the above-identified patent is hereby requested.

The authorization to charge Deposit Account No. 50-2075 for the additional \$490.00 is being submitted herewith. The Patent Office is requested to change its records to reflect the large entity status for the above-referenced patent.

Respectfully submitted:
